

Announcement

OPEN TO: Electrical Companies

OPENING DATE: February 10, 2020

CLOSING DATE: February 20, 2020

The U.S. Consulate General in Hermosillo is looking for contractors/companies which can provide **Main Electrical System Distribution Maintenance**.

The purpose of this firm fixed price contract is to obtain professional services and contractor cost proposals to perform annual preventive maintenance and servicing of the Consulate's main electrical systems to include medium voltage substation equipment, main electrical switchgears, distribution of electrical panels and dry transformer maintenance.

The Contractor shall provide all necessary managerial, administrative, supervision and direct labor personnel, as well as all transportation, equipment, tools, supplies and materials required to perform this project in accordance with the statement of work. The contract will be for a one-year period with **(2) two one-year options**.

All interested companies, please submit your contact information to the Hermosillo procurement team at hermogso@state.gov to be included in our list of Potential Offerors.
